DIPLOMA IN FASHION & MARKETING

15 Months

Our course helps students learn sketching, design, draping, pattern making, sewing techniques, fashion marketing & retailing in detail. They will also be able to put their concept into 3 dimensional perspectives with the help of CAD. Renowned designers visit our campus as guest speakers helping students understand and create designs that can be made public through on campus exhibitions and also through Nepal Fashion Week, the biggest fashion extravaganza of the country. During the course, students will get opportunities to do internship at leading fashion houses.
